

# France: The Radical Left in the Maelstrom

With the November 13th terrorist attacks, the strong showing of the far-Right Front National in regional elections, and the COP21 climate conference in Paris, France has been in the headlines a great deal in recent weeks. Yet we rarely hear about how the radical Left fits in to the evolving situation there. Come out to hear a longtime member of the Toronto Left who has been living in Paris since 2012 and is a supporter of the New Anti-Capitalist Party (NPA).
