

the red party

Join the **International Socialists**, **New Socialist Group** and **Socialist Project** for a May Day celebration on Saturday, April 28th. May Day is a celebration of workers struggles and victories worldwide. Hear short campaign updates from social movements involved in supporting the rights of precarious workers. Come and meet other socialists and allies who are committed to the cause of workers rights and freedom. Have a beer, win some prizes, and share ideas for a stronger revolutionary workers' movement.

Saturday April 28th
